

2011 USASA NATIONALS JUDGES ELECTION

*It is time to vote for the 2011 Nationals
Judges!*

Deadline: April 1, 2010!

Every year USASA members have the opportunity to nominate, and then vote for, the Nationals conformation judges. Cast your vote now if you want a voice as to who is hired for the 2011 Nationals.

The 2011 Judges Nomination Lists include all the eligible judges nominated by members for the 2008, 2009, 2010 and 2011 Nationals.

There is one change starting with the 2011 Nationals. The Futurity Judge for the 2011 Nationals - and all future Nationals - will be selected from the prior year's list of elected judges for Category I: Futurity & Sweepstakes.

This change is being made because the Futurity starts each year well before the Judges election. For example, the 2010 Futurity nominations started in 2008 (litters whelped starting October 1, 2008). Many potential judges for the 2010 Futurity had already invested in the Futurity (often along with co-owners and co-breeders) and felt they could not accept the judging assignment. This has been a problem for several years but has increased with the growth of the Futurity and the reason we need to make a change now.

We want to align the Futurity years with the Judges Election cycle. In order to make the transition, the 2011 Futurity judge will be selected from the 2010 National Category I Judges list on which you have already voted. The judges you elect now from this list will be those eligible to judge the 2012 Futurity. This will allow them to make the decision to judge the Futurity well before any nominations are made.

We have also included a list of judges from the 2004 – 2010 Nationals for your reference as certain restrictions apply to judges who have judged at previous Nationals. These restrictions are listed on the Election Ballot (Ballot on next page).

However, judging in these categories will have no impact on eligibility to judge Regular Dog Classes, Regular Bitch Classes, or Best of Breed.

- Judges at previous Specialties who have judged Regular Dog Classes, Regular Bitch Classes, or Best of Breed, may not judge again in the same category for six Specialties thereafter. However, they may judge any other category after two Specialties.
