**Disaster & Emergency Plan for Purina Farm Herding Events  
 Plans for people and dogs – cell phone available**

**FIRE:** Dial 911. All dogs should be crated or leashed securely. Owners/Handlers must make sure that they, their dogs and vehicles are out of driveways that Fire and Emergency vehicles would use for approach to the site of the fire.

**THUNDERSTORMS WITH LIGHTENING:** Should lightening be observed, all people and dogs should be in the security of their vehicles or in the shelter of any barns or buildings until the storm has passed.

**INSURY TO A DOG:** Alert the veterinarian on-call – John Stultz DVM of the Washington Vet Clinic, 5585 Hwy 100, Washington, MO – 636-239-5445. On call, all hours, weekdays and weekend. Directions from Purina: turn right and go to the stop sign and turn right onto Route 100. Go across Route 44 to the next stop sign and turn right. This will be Route 100. Go 8.5 miles to the stoplight right after a church with three bells. Take an immediate right on a gravel road. The vet clinic is at the end of the gravel road. Also available for backup is the Animal Emergency Clinic, 9937 Big Bend Rd, St Louis, MO – 314-822-7600 – one hour away from Purina. Take I-44 east and exit at Big Bend road (exit #278) and go approximately 0.1 miles to Emergency Clinic.

**INJURY OR HEALTH PROBLEM WITH A PERSON:** The emergency response team for the area will be called immediately. Dial 911. A first-aid kit is on the premises.

**MASS DISASTER/TORNADO PLAN:** In the event of a tornado, dogs should be leashed, and all people and their dogs should proceed to the lowest points of the property for shelter until the emergency has passed.
